Draft conclusions proposed by the Chairs

Recommendation of the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation

The Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation, at their sixty-fifth sessions, having continued consideration of the Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security,[1] recommended the following draft conclusions for consideration and adoption by the Conference of the Parties at its thirty-first session:

Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security

1. The Conference of the Parties requested the subsidiary bodies to continue consideration of the Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security[2] at their sixty-sixth sessions (June 2027).

2. The Conference of the Parties also requested the subsidiary bodies to report on the progress and outcomes of the joint work to the Conference of the Parties at its thirty-second session (November 2027).
