SBI 64 agenda item 6
Sharm el-Sheikh mitigation ambition and implementation work programme

Guiding questions by the co-facilitators

1. How can a range of topics under the scope of the MWP be addressed most effectively over the course of its duration with a view to achieving its objective?

2. How to improve modalities of the MWP to better facilitate implementation of concrete actions, including through more effective engagement of experts, practitioners, financiers and project developers?

3. How do you see operationalization of linkages with other processes and workstreams under the UNFCCC with a view to strengthening effectiveness of the MWP, including, inter alia, the Financial Mechanism, the Technology Mechanism, capacity-building, the NMA Platform, Global stocktake, Global Climate Action Agenda?
