referred to in Article 6, paragraph 8, of the Paris Agreement and in decision 4/CMA.3

Review of the work programme under the framework for non-market approaches

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) initiated the review of the work programme under the framework for non-market approaches referred to in Article 6, paragraph 8, of the Paris Agreement and in decision 4/CMA.3.¹
2. The SBSTA considered, in the context of the review referred to in paragraph 1 above, without prejudice to any decision that may be taken by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its eighth session (November 2026), ways to implement additional functionalities of the NMA Platform² that would enable Parties to record thereon projects that they identify under the Sharm el-Sheikh mitigation ambition and implementation work programme through their national focal points for Article 6, paragraph 8, of the Paris Agreement and enable interconnection between the NMA Platform and other platforms, including national platforms for Parties that request it.³
3. The SBSTA took note of:
 - (a) The report by the secretariat on inputs to the review of the work programme;⁴
 - (b) The technical paper by the secretariat on options for the operationalization of additional features and functionalities of the NMA Platform;⁵
 - (c) The presentations delivered by the secretariat at this session providing an overview of:
 - (i) The outcomes of the secretariat's actions in response to the mandates in paragraph 19 of decision 21/CMA.7,⁶ as also detailed in the report referred to in paragraph 3(a) above;
 - (ii) The technical paper referred to in paragraph 3(b) above.⁷
