Matters relating to the forum on the impact of the implementation of response measures serving the Convention, the Kyoto Protocol and the Paris Agreement
Version 18/6/2026 15:45

---

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI) convened a meeting of the forum on the impact of the implementation of response measures at these sessions.

2. The SBSTA and the SBI welcomed the implementation of the following activities by the forum at these sessions:[1]

(a) Considering the case studies contained in the annual report[2] of the Katowice Committee of Experts on the Impacts of the Implementation of Response Measures (KCI) for 2025;[3]

(b) Building awareness of and sharing information related to analysing, assessing and reporting on the impacts of measures taken to combat climate change, including cross-border impacts, recalling Article 3, paragraph 5, of the Convention[4] (activity 6 of the workplan of the forum and its KCI for 2026–2030[5]);

(c) Determining the information to be provided for the technical assessment component of the second global stocktake[6] (activity 2 of the workplan of the forum and its KCI for 2026–2030).

3. The SBSTA and the SBI expressed appreciation to the experts and organizations that contributed to the implementation of activities referred to in paragraph 2 above and encouraged the continued engagement of relevant stakeholders in the implementation of the workplan of the forum and its KCI for 2026–2030.

4. The SBSTA and the SBI took note of the views exchanged by Parties during the implementation of the activities referred to in paragraph 2 above.

5. The SBSTA and the SBI noted that the forum has determined that the information to be provided for the technical assessment component of the second global stocktake, in relation to activity 2 of the workplan of the forum and its KCI for 2026–2030, will include the work of the forum and its KCI undertaken since the KCI submitted its inputs to the first global stocktake.

6. The SBSTA and the SBI recalled decision 19/CMA.1, paragraphs 7–8, 24, 32 and 36, decision 23/CMA.3, paragraphs 12–13, and decision 3/CMA.7, paragraph 18, including relating to the information collection and preparation component of the global stocktake.

7. The SBSTA and the SBI invited Parties to submit their views on efforts related to addressing the social and economic consequences and impacts of the implementation of response measures via the submission portal[7] by 15 January 2027 and requested the secretariat to prepare and submit a synthesis report of the submissions from Parties as input to the second global stocktake.

8. The SBSTA and the SBI also requested the KCI to prepare a synthesis report of the information referred to in paragraph 5 above for inclusion in its annual report for 2026 to be
