Draft decision -/CMP.21

Report of the Compliance Committee

The Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol,

Recalling decision 27/CMP.1, in which the Compliance Committee was established,

1. *Takes note* of the annual report for 2026 of the Compliance Committee to the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol;[1]

2. *Notes* the decision of the Compliance Committee to convene a meeting of its plenary or either of its branches only when the need arises, with the need for a meeting determined by the bureau of the Committee taking into account any information received in accordance with the procedures and mechanisms relating to compliance under the Kyoto Protocol[2] and the Committee's rules of procedure;[3, 4]

3. *Decides* to continue consideration of the question of the future of the Compliance Committee at its twenty-fifth session (November 2030), or at an earlier session should a meeting of the plenary or either of its branches be convened in accordance with paragraph 2 above;

4. *Also decides* that the plenary of the Compliance Committee shall report on its activities to the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol[5] only in the years in which the Committee or either of its branches convenes a
