Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) continued consideration of three separate mandates:

(a) The matter of the arrangements for the Adaptation Fund to exclusively serve the Paris Agreement;

(b) The initiation of the fifth review of the Adaptation Fund;

(c) The matter relating to the membership of the Adaptation Fund Board.

2. The SBI noted that progress has been made on the matters relating to the arrangements for the Adaptation Fund to exclusively serve the Paris Agreement and the initiation of the fifth review.

3. The SBI agreed to forward the matters referred to in paragraph 1(a–c) above to the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) at its twenty-first session and the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA) at its eighth session for further guidance on the basis of the draft texts available on the UNFCCC website.[1]

4. The SBI noted that these conclusions do not prejudge the final outcomes at CMP 21 and CMA 8.[2]
